ELLISON Ballet

Summer Intensive 2021

Physician's Release

Student's Name: _____
First Name M.I. Last Name

Ballet training requires each student to be able to completely participate in a full range of sustained, repetitive, vigorous physical activities including but not limited to quick movements, bending, twisting, running, leaping, and lifting, which place extreme demands on the human body, including stress of joints and ligaments, repetitive impact, and occasional falls, slips and collisions with other participants and objects.

I certify that this student is physically capable of participating in ballet training.
